New guidelines (2020 onwards)

- Applicants must reside in the parishes of Hockliffe or Chalgrave and be aged 24 or under.
- All applications on behalf of children/young people under the age of 18 at the time of the application **MUST BE MADE** by a parent/carer on behalf of that child/young person.
- All applications on behalf of young people aged 18 to 24 at the time of the application **MUST BE MADE** by that young person him/herself.
- We would usually expect to pay: -
 - (a) a student grant of not less than £200 per half year for those studying full time for a degree
 - (b) a contribution towards costs of post 16 education (e.g. part-time college, apprenticeships etc)
 - (c) 50% of the cost of lessons in the performing arts (music, dance, drama etc)
 - (d) 50% of the cost of sporting activities (football, rugby, cricket, netball, riding etc)
 - (e) 75% of the cost of swimming lessons (except for children attending Hockliffe Lower School, who receive them through the school, partly financed by West's Educational
- We will continue to make contributions to school trips of an educational nature (This does not include trips which are wholly for leisure, such as Alton Towers, Legoland etc.) An application will only be considered after the trip has been paid for in full and only after the trip has taken place. In exceptional cases, however, if there is real difficulty paying in advance, the Trustees may consider an early application.
- We will only pay routine travel expenses in exceptional circumstances
- There will be a maximum grant per child/young person per application, which will vary from meeting to meeting depending upon funds available, except for: -
 - (a) those receiving the minimum £200 student grant
 - (b) out-of-the-ordinary, one-off events
 - (c) exceptional circumstances

It is very important that people remember that these are only examples. ANYONE aged 24 or under residing in Hockliffe or Chalgrave is encouraged to apply for a grant towards ANY educational activity. NOTHING WHATSOEVER is ruled out, so long as the activity is educational.

Receipts are required to support all applications, except the minimum £200 student grant. It is very rare that this rule is waived and there must be an extremely good reason e.g. if you cannot fund an activity beforehand, in which case please apply to the charity. No receipt usually means no grant.

Claims can be made by organisations working for the benefit of young people aged 24 or under residing in Hockliffe or Chalgrave.

Trustees meet in January and July. Applications will be considered at the January meeting if received by the clerk on or before 31 December of the previous year. Applications will be considered at the July meeting if received by the clerk on or before 30 June of that year. If a deadline is missed the application will automatically be considered at the next meeting. For example, an application received on 1 January 2021 will be considered at the July 2021 meeting. Only in very exceptional circumstances (e.g. postal strike) will this rule be waived.
